Michigan Man Has Slain Nearly 750,000 English Sparrows.

Carson City, Mich., Dec. 6.—Louis Gorsline of this city has a peculiar and unique history. His name and picture have appeared in both State and national papers, and thousands of people who have never seen him are familiar with the peculiar points in his life, And this notoriety was achieved, not in any deed of daring, reckless adventure or by having great wealth thrust upon him by frugal ancestors. In short, he has been the greatest sparrow hunter in the State the nation, and, probably, in the world.

Some years ago he was a trainman on the old Toledo and Ann Arbor Ra Iroud. He lost his right hand in an accident at MoBain, and when he was able to work the company gave him a place as tharman. He was restless to increase his income, and began to hunt sparrows, receiving the hounty of 2 cents apiece then provided by State law.

He shot them and trapped them at odd who is the widow of ex-Governor Booth, REPUBLIC SPECIAL

State law.

He shot them and trapped them at odd times until he found the work so profitable that he hired a mar to do h's work as flagman and gave his whole time to scarrow hunting. He afterwards used a preparation in which he soaked wheat and millet seed, and two or three kernels of this was enough to wake any scarrow his in a few minutes. o make any sparrow his in a few minutes ime. In this way he would take thousands

the notel for the past two years, but he had been arrested some years ago for the theft of a diamond ring from a woman for whom he worked on California street. He was sentenced at the three to a term of six months in the House of Correction, but after serving two days of his sentence was released because his mistress had found the ring, which had been misplaced by her, not stolers.

But the detectives' work did not see the first serving two days of his sentence. In a day.

Mr. Gorsline says that he does not remember ever finding but one bird aside from the sparrows that had enten the poisoned grain, and that other birds do not eat grain. He has caught the pests in nearly every county in the lower peninsula and has also worked in the upper peninsula. Over \$14,000 was paid to him by the State in bounties and nearly three-quarters of a million birds were killed by him in the five years he followed the work as a business. But the detectives work did not stop here. But the detectives work did not stop here. They found a piece of tissue paper somewhere in Ah Pong's pocket, they said, and this was the paper which Mrs. Booth had wrapped around her diamonds.

Ah Pong remained in jail but a short time. His friends in the Chin Gong Company furnished the \$2.00 bond which gave him his freedom. While he was incarcerated, however, the landlady of the hotel sent word by a trusted servant, the Chisent word by a trusted servant, the Chiyears he followed the work as a husiness

LONG FAST CURES MRS. J. F. CONKLIN

St. Paul Capitalist's Wife, Suffering From Bronchitis, Starves Herself for 28 Days.

WEIGHT DECREASES 33 POUNDS

After the Ordeal Mrs. Conklin Is First Given Broth and by Degrees She Will Be Returned to a Normal Diet.

REPUBLIC SPECIAL St. Paul, Minn., Dec. 6.-Mrs. J. F. Conklin, wife of J. Frank Conklin, one of the best known real estate men and capitalists in the State, has completed a twenty-eight-

Mrs. Conklin has been suffering for twen ty years with chronic bronchitis. For the worse than ever, and it was decided, at the close of the present summer, that radical action of some sort would be necessary if she were to be restored to health. A woman doctor, whose advocacy of the starvation cure for nearly every ill to which frall flesh is helr, has attracted much attention to her during the last year, was called into consultation, and she expressed the opinion that Mrs. Conklin could be absolutely cured by the starvation route. Mrs. Conklin began fasting. She decreased Mrs. Conklin began fasting. She decreased in weight from 136 pounds to 163 pounds, but no rood passed her lips, and she drank but little water ouring the entire period, though pernatted to drink as much of the latter as she desired.

After the ordeal Mrs. Conklin was given some broth, and by degrees she will be returned to a normal diet. She appears to have entirely recovered from her aimost dietong affliction, being quite free from the cough, which was the principal manifestation of the disease. While somewhat weak, she is able to walk about the house with case. Dr. Moore's practice has grown to such enormous proportions that he was obliged to enlarge his effices, which now consist

Mr. Conklin declares that he is thorough-Mr. Conkin declares that he is thoroughly satisfied of his wife's cure, and that for his own part he never intends to cut another breakfast as long as he lives.

"I began going without my breakfast for two reasons" said Mr. Conklin. "One was that I desired to encourage my wife in the ordeal she was undersoons, and another was that the doctor had insisted upon the advantage of abstaining from a morning meal.

advantage of abstaining from a morning meal.

"I never felt so well for many years as I have since the breakfast fad was done away with, and I have also been able to disp use with the morning smoke, which, taken in combination with the food, was disastrous. I now eat but twice in twenty-four hourn, and smoke after each meal. "I am able to do four times the work I have been able to do for several years. Nothing could be more marked than the effect of this simple self-denial.

"Mrs. Conkin is a new woman. She is so much better than I ever hoped to see her that I feel too much cannot be said for a plain, logical, common-sense plan that eliminates the pelson from the human system and gives it a chance to recuperate."

system and gives it a chance to re The fasting theory has attained ordinary vogue here within the months. One man who is well known in the business world has had nothing to eat for fifty days, and two others have fasted for forty days, and days, and days, Half a dozen have gone over thirty days, and so on. In every case the fasters are enthusiastic over the results.

GIRL WILL ENTER CONVENT

Court Releases Her When She Ap

pears for Sentence.

REPUBLIC SPECIAL San Francisco, Dec. 6.—Anita Clark, the young girl who pleaded guilty to a charge of robbery before Judge Cook some months of robbery before Judge Cook some months age, appeared for sentence. She sat in the courtroom between her mother and sister with a handkerchief pressed against her eyes and seemed visibly affected while she listened to the mercful words of the Judge, who allowed her to go on her own recognizance till the first Saturday in June. When the case was called Attorney J. F. Riley, who represented the girl, said that her mother had decided to pince her in a convent for the next two years, as she was only 19 years of age. The girl had expressed a sincere desire to lead a better life and he asked that her case be continued till June next and she be allowed to go on her own recognizance, which was tinued till June next and she be allowed to
go on her own recognizance, which was
agreeable to the District Attorney.

"Some consider tion is certainly due this
girl," said the Judge, "from the fact that
she materially assisted the prosecution in
bringing the perpetrator of the crime to
justice. I shall make the order asked for
in the hope that she will reform her character under the gentle guidance of the
sisters in the convent."

The girl was implicated in one of the
most brutal fobberies ever perpetrated in
this city.

A man named Galvin was tried for rolbery, but was convicted of grand larceny
and sentenced to serve ten years in San
Quentin. He was later tried on a charge
of perjury, convicted and sentenced to nine
years and six months, both sentences to
run concurrently.

BUDDHIST BELL FOR CHURCH

Christians Now Called by Notes That Led the Heathen.

REPUBLIC SPECIAL. REPUBLIC SPECIAL

Scranton, Pa., Dec. 6.—The Orient and the Occident have come together in the Presbyterian Church at Green Ridge, one of the beautiful residential suburbs of this city. In the tower which surmounts the ivyclad edifice is a bell which for several centuries called the faithful to a shrine of Buddha in Kiolo, Japan.

The bell is of bronze alloy and weighs 700 pounds. Its age is supposed to be 300 years. The bell is thirty inches in diameter and the sides are almost straight, the bell

years. The hell is thirty inches in diameter and the sides are almost straight, the bell being nearly as wide at the top as at the bottom. It is four feet high.

At the bottom of the bell there is an inch flange, against which the striker, a wooden beam, is knocked when it is desired to ring it. The bell remains stationary. The beam used as a striker is ten feet long and heavily weighted.

This hell was surchased by E. R. Sturges. and heavily weighted.

This bell was purchased by E. B. Sturges, a member of the church, during a recent tour of the East and presented by him to It has just been placed in the tower of

Mr. Leyh was a widower, it was his habit

Killed Almost Instantly.

John Foster, an errand boy, and said:

John Leyh tell forward. The boy summend Mr. Leyh's daughter, and a moment later became unconscious.

Doctor J. A. McLeod and Doctor George F. Leyh, I., worked in vain for over an hour to save the aged man's life. Mr. Leyh died without regaining consciousness.

The doctors examined what remained of the liquid in the beer bottle, but were unable to decide what kind of poison it was.

ACCEPTANCE NOW NECESSARY.

While Doctor Jonathan Powell Yields to the Importunities of Belated Sufferers and Extends His Popular \$10 Fee Through the Month of December, He Sounds This Warning-Absolute'y the Last Opportunity to Take Advantage of This Rate - Unier No Circumstance: Will This Offer Be Extended Beyond December 31st-Understand, This Do s Not Mean \$10 a Month, but \$10 for a Complete Cure, Medicines Included-No Further Charge Will Be Made.

Just as it was toward the last part of the free period with which Doctor Powell, his method of treatment and his purposes were introduced to the people of St. Louis; just as it was then, when the Famous Physician found it utterly impossible to care for all who came, so during the conciuding days of November it was found utterly impossible for the Bi-Chemic Physicians to see all the patients who came to their offices and many the Bi-Chemic Physicians to see all the patients who came to their offices, and many the Bi-Chemic Physicians to see all the patients who came to their offices, and many the Bi-Chemic Physicians to see all the patients who came to their offices, and many the Bi-Chemic Physicians to see all the patients who came to their offices and was examined, shown through the different treatment rooms and I was so great that I found the greatest difficulty.

CATARRH.

Wr. Fr o take advantage of the \$10 offer, and many had to be turned away. There was no time to make any change in the newspaper announcements, or, indeed, change any of the published statements at all. All that could be done was to care for as many as possible and notify the others that the offer would be extended from the first of the month. Doctor Powell felt that in giving the \$10 offer for the month of November was giving abundant time for all who desired to lest for themselves the power of his treatment in cuting Chronic Diseases. The events of the last few days of the month showed him he was mistaken. He therefore sent out notices extending the offer not for a day or a week, but for the entire month of December. He made the extension cover the entire month, so that there might be no repetition of the scenes of the last few days and the hurrying and confusion incident to them. The following offer is absolutely final and will not under any circumstances be extend-ed beyond December 31st; The Bi-Chemic Physicians will agree

to treat all persons applying at their offices before January ist for the nominal sum of \$10 until cured.

That is, \$10 covers the entire cost of a cure, medicines included, and no further fee will be asked.

They furthermore guarantee that if the patient is not completely cured in a specified length of time to return the money paid without any quibbling or evasion. It has always been the principle of their lives never to keep a fee unless the patient was cured.

The Bi-Chemic Physicians wish to make to treat all persons applying at their

cured.

The Bi-Chemic Physicians wish to make it emphatic that this offer expires on the list day of this month and will not be extended beyond that time under any circumstances. It is important to call as early as possible in order to avoid the rush that will naturally occur during the closing days of this phenomenal offer.
